

Treasure Island Community Development (TICD) PHASE 1 CONSTRUCTION ADVISORY TOUR BUSES, LIMOUSINES, CHARTER TOURS

Street closures and traffic re-routing around the Administration Building and western shoreline of Treasure Island begins **Wednesday February 21, 2018** with full implementation of these changes completed by mid-March.

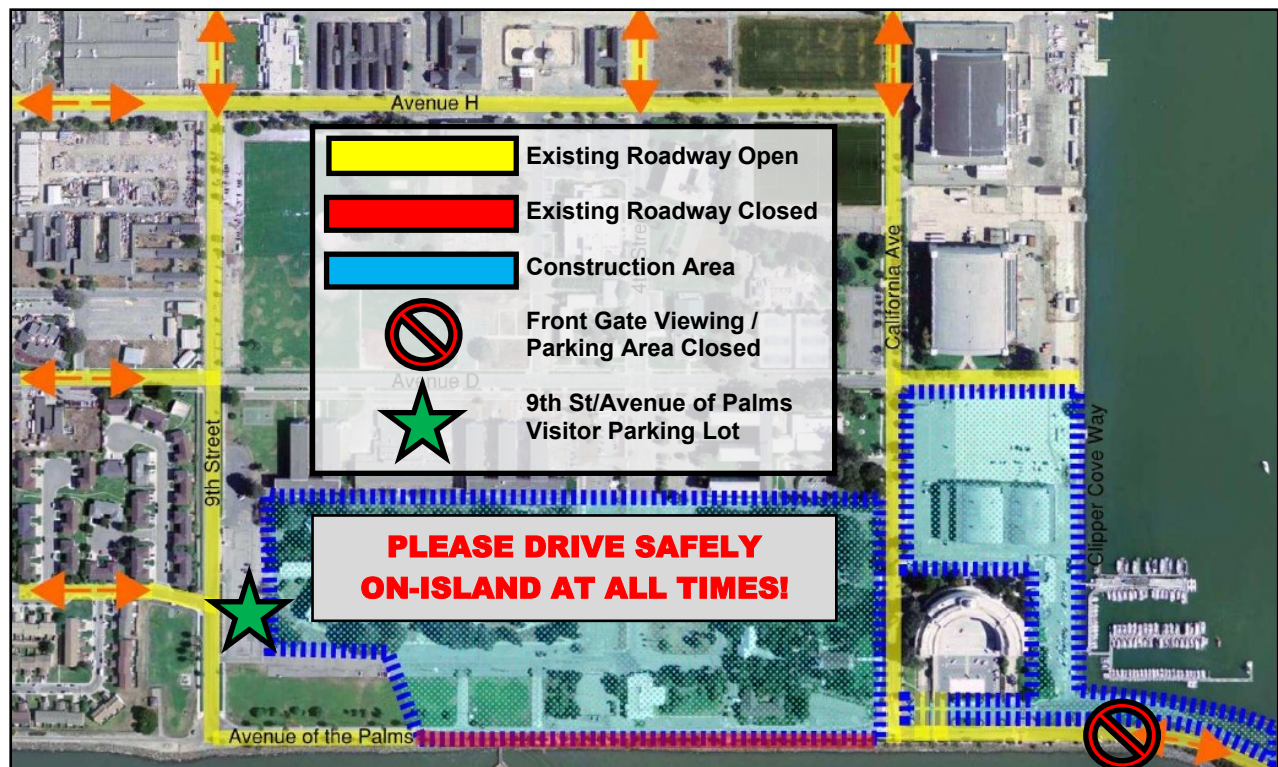

With this work, all existing visitor amenities as well as all vehicle, tour bus and coach parking along Treasure Island Road at the Front Gate will be removed. In addition, Avenue of Palms will be closed to north-south vehicle, pedestrian and cyclist traffic between California Avenue and 9th Street.

TIDA has established a new designated location for tour and charter parking and safe loading/unloading of passengers wishing to enjoy the views of San Francisco Bay:

- Visitor Parking Lot at 9th Street/Avenue of Palms
(a Visitor Parking Lot site map is on reverse of this flyer)

All visiting tours and charters are requested to utilize this location only beginning February 21, 2018. Vehicle parking, vehicle idling, and passenger unloading of any kind will be prohibited in the construction area, and in the Administration Building parking lot, once work commences. **Violators may be subject to citation.**

Tour bus and sightseeing charter parking, loading, unloading, and idling within the Treasure Island Residential Neighborhood north of 9th Street is prohibited at all times.
